

3D Game Project Phase 2

Group Members:

- Ahmed Can Ünbay 24787 (unbayahmed@sabanciuniv.edu)
- Alper Berber 28224 (berber@sabanciuniv.edu)

Title of the Game: Sabanci Run

Description:

In this we've reorganized our game structure. We've added textures and shaders as stated in the required functionalities. Also there's an input manager that takes inputs. Perspective projection is added to the camera.
